WHAT PHRASE IS HEARD
MOST OFTEN AT A
PICKLES CARD GAME?

TARZAN OF THE CARDS

He was Targan of the cards, left an orphan in a strange place called Cardland, he was raised by the cards, and grew up, strong, brave, and knowing all types of card tricks. Now his purpose was to protect everyone in Cardland from the forces of evil.

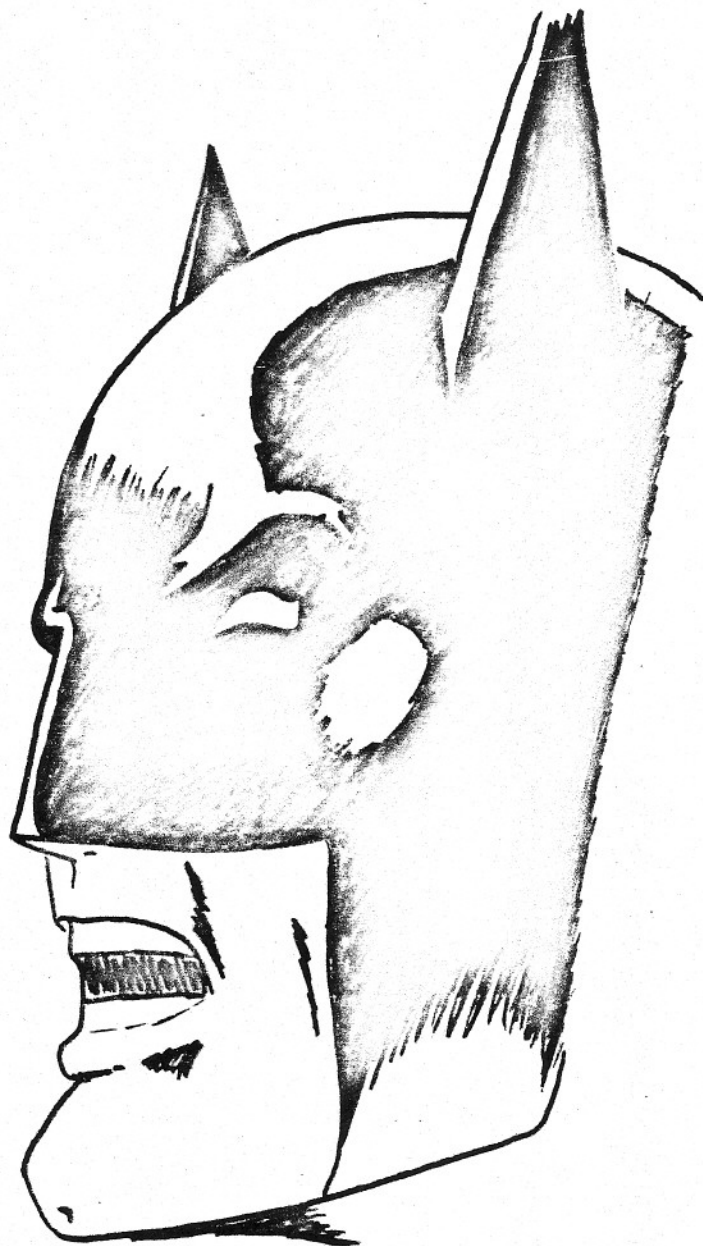

Tarzan was resting in a tree when his friend Jack came running up. "Tarzan!" Jack cried, "The Mad Shuffler is in town and he is threatening the king and queen." Jumping in to his Cardillac, Tarzan raced to where the Mad Shuffler was. Upon finding the Shuffler, Tarzan yelled, "Deuce is the way to catch a bad guy", and upon so yelling Tarzan knocked the Mad Shuffler out with one blow. (See picture below). Then the cops came and carded the Mad Shuffler away.

For performing this heroic deed, the king of Cardland rewarded Tarzan with a decoration of honor. There was a full house of people watching this historical event. Tarzan then told a joke which went like this: Why couldn't anyone play cards on Noah's Ark? Because Noah was sitting on the deck. All of the cards then said, "Tarzan you're a real card."

The End.

I heard that you give advice to people with problems. Well I have a problem, I don't know how to start a conversation with a girl. Could you please give me some suggestions.

FIRST OF ALL SHOW HER WHAT GOOD TASTE YOU HAVE. SAY: I REALLY DIG BRUCE'S FUNZINE. DON'T YOU? THEN YOU NEED TO SHOW THE GIRL WHO'S BOSS. SAY: I'M NOT AFRAID OF YOU. THEN STICK YOUR TONGUE OUT AT HER.

Dear Sir,

I heard that you might be able to help me with my problem; I had my girl friend taken away from me.

Dear Sir,

Someone gave us a copy of BRUCE'S FUNZINE, and they threatened to give us a copy of next month's issue. What do you think about that?

SERVES YOU RIGHT YOU STUPID CLOD!

Editor,

The attached photograph was taken after I had finished reading the latest edition. I think that the joy and enlightenment received is only partly shown in the picture. Hopefully the picture can say what words cannot.
