

Y U T I Y
ISS OF G E'S
BIR F N ZINE

This month Bruce's Funzone is one big puzzle. Do all the puzzles and their answers will be words which will form the answer to the riddle on the last page.

Put all these number combinations into the crossword thingy below. They will form the numbers combinations in the darkly outlined boxes.

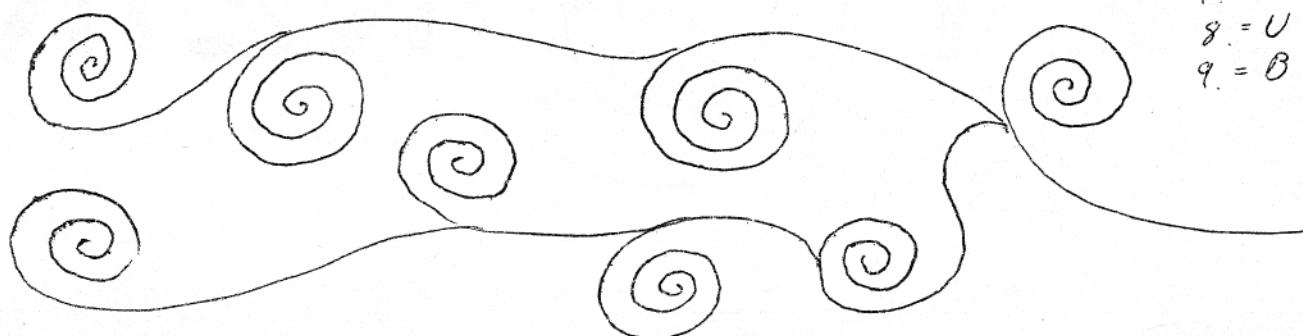

007	0021	8254	04789	229156
083	1961	9387	27814	246583
192	2001	9517	38210	572042
239	2059	9761	40189	
247	2179		57892	8056390
295	2198		57907	
505	3917		58273	
711	4904		67329	
787	5150		81307	
899	8039			

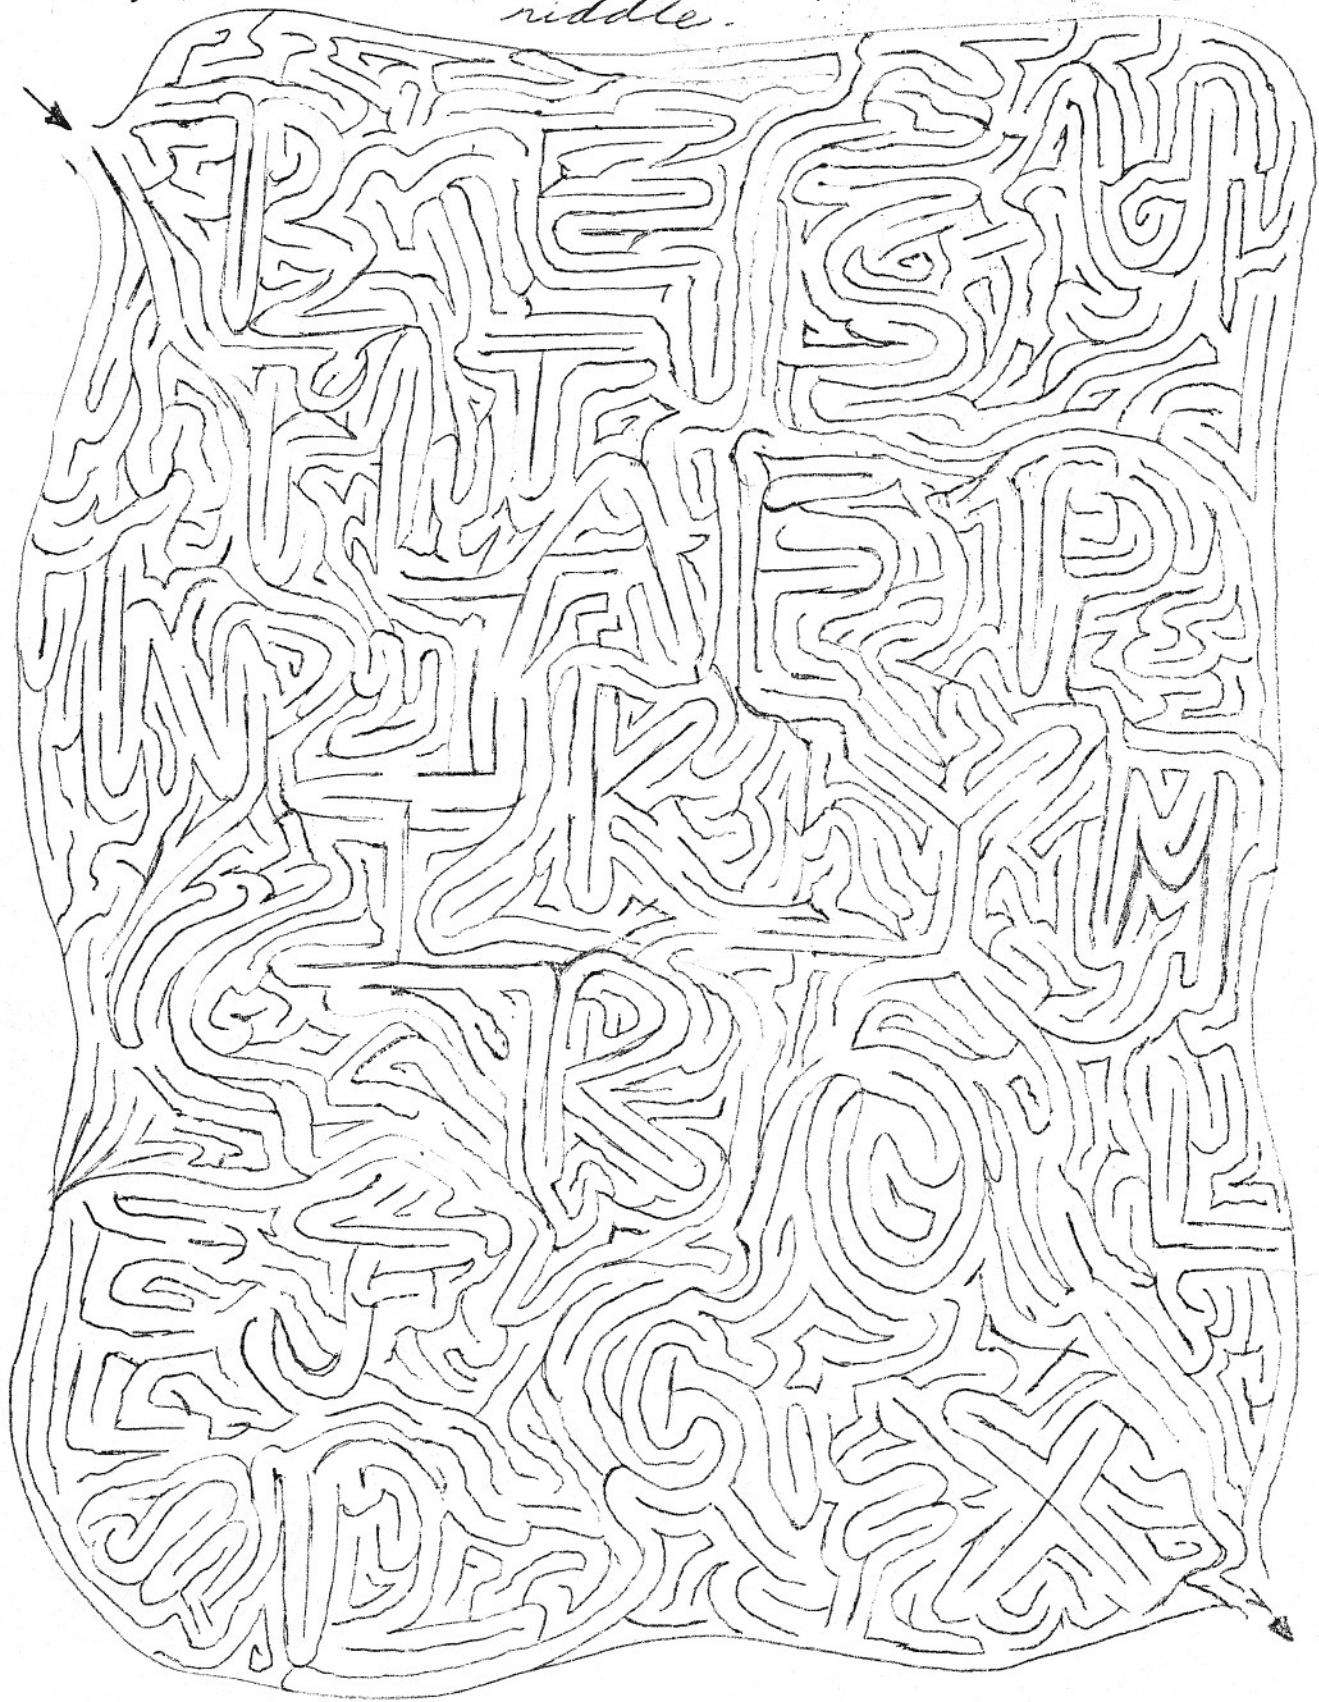

Note: This puzzle has been redone in order to correct errors.

Now decode the words which are in the darkly outlined boxes with this:
This will form the 3rd, 4th, and 5th words in the answer to the riddle on the back page.

0 = D
1 = E
2 = W
3 = T
4 = N
5 = A
6 = Y
7 = O
8 = U
9 = B

After you've done this maze, color in
the path through it, and it will form
the fifth word in the answer to the
riddle.
